PROFESSIONAL SUMMARY

A highly enthusiastic and self-motivated student with a strong passion for continuous learning and exploration of new technologies. Driven by curiosity and a hands-on approach, I have independently acquired knowledge across various domains. Eager to apply my skills, adaptability, and problem-solving abilities in a dynamic environment while gaining practical experience and contributing effectively. Always ready to embrace challenges and grow both personally and professionally.

EDUCATION

Bachelor of Technology, Computer Science and Engineering (2023-Present)
Aditya Engineering College (A), Surampalem, India **8.45 CGPA**

TECHNICAL SKILLS

Programming Languages: C, C++, Python
Proficiencies: Problem-Solving, Data Structures and Algorithms, OOP.
Web Development: HTML , CSS , JavaScript, React
Databases: MongoDB, MySQL, SQLite
Developer Tools: Git, GitHub

SOFT SKILLS

- Adaptability, Quick Learning, Time Management, Teamwork, Creative & Communication.

ACADEMIC PROJECTS

Secure Password | [HTML, React, TypeScript, Vite, Tailwind CSS]
Role: Developer *Link*

- Built a secure password strength checker using React and TypeScript that validates passwords based on length, character variety, and complexity rules.
- Integrated real-time strength indication and secure password suggestions to promote better cybersecurity practices.

MocMate AI | [HTML, React, TypeScript, Vite, Tailwind CSS]
Role: Front-End Developer *Link*

- Developed the frontend of an AI-powered interview practice platform enabling users to simulate real interview scenarios with AI-generated questions and structured feedback.
- Built responsive UI components for interview categories, performance analytics dashboards, and practice simulations using React, TypeScript, and Tailwind CSS.

INTERNSHIPS

Front-End Developer – Trainee || 1Stop.ai ***(May 2025 – June 2025)***

- Trained with **Front-End Tools** like **HTML**, **CSS**, **JS** and earned certification
- Completed **Front-End Mini Projects** and **PERSONAL PORTIFOLIO WEBSITE**.

ACHIEVEMENTS & CODING PROFILES

CODING PROFILES

- **1-Star Coder on CodeChef (**Max Rating: **1179).**
- Solved **150+ problems on LeetCode.**
- Actively solving problems on **GeeksforGeeks.**
- **5-Star in Problem Solving, 5-Star in C, 4-Star in C++ on HackerRank.**

CERTIFICATIONS

- **Web Development Fundementals –** IBM SkillsBuild
- **Frontend Developer (React) -** HackerRank
- **Problem Solving** (Basic & Intermediate), **SQL** (Basic)
- **Object Oriented Design, React Essential Training** – LinkedIn Learning
- **Software Engineer Intern** – HackerRank
- **Ai Foundation Certification** – Infosys Springboard
